Painting and Equestrian Art

El Molino Studio Session with Kindrie Grove

Join Kindrie for your own creative adventure. From En Plein Air landscape painting to still-life and local architecture, to an exploration of the beautiful horses of southern Spain, you choose what you want to focus on!

Kindrie is a professional fine artist and art instructor who has been honing the craft of painting for more than 20 years. She mentors everyone on an individual basis, connecting with you at whatever your skill level and subject matter. She has a great ability to offer just what is needed for each individual student and her gentle and non-judgmental style puts everyone at ease.

Enjoy creative days and art classes with Kindrie Grove in the Spanish countryside at the old mill, nestled between two white hilltop villages, surrounded by olive groves, just an hour north of Malaga. Savour Mediterranean

cuisine during leisurely lunches in the courtyard, tapas by candlelight and long convivial dinners with new friends. There's lots of time too for afternoon dips in the pool, for one-to-one instruction, country walks and plenty of laughter.

Hosts Chef Mike Powell and his wife Hilary are passionate about Spanish culture and cuisine. Mike creates healthy and sumptuous Mediterranean meals with quality locally sourced fresh produce - another wonderful highlight of your workshop holiday. In addition to the superb art instruction, the marvellous Mediterranean cuisine and splendid wines there are escorted excursions to the historic city of Cordoba, including a visit to the Royal Spanish Stables, and an annual Spanish agricultural Fair where you have a chance to taste the authentic flavour of Spain.

Kindrie encourages artists at all levels to share in a small group atmosphere with emphasis on individual attention and instruction.

Don't forget the other activities offered - we welcome non-painting partners and offer a Spanish Experience, light hearted Spanish Conversation with a tutor for beginners or those wishing to brush up their linguistic skills, a couple of hands-on cooking sessions in the kitchen, two cooking demos, an olive oil tasting and a sherry tasting as well as participation in the excursions.

You may find it's worthwhile taking photos on the visits to culturally rich places which provide further inspiration, or concentrate on the plentiful local subject matter in and around the mill, the gardens and the stream.

We look forward to welcoming you to this beautiful part of Spain.
